

ART DONOHO

BIOGRAPHICAL SKETCH

ART DONOHO MOVED TO FRUITA IN 1978, AFTER RECEIVING HIS DEGREE FROM COLORADO STATE UNIVERSITY. IN 1989, ART CLOSED DONOHO ELECTRIC SERVICE INC., A BUSINESS HE AND HIS FATHER RAN FOR SEVERAL YEARS, AND ENTERED THE ENGINEERING FIELD. ART IS CURRENTLY AN ELECTRICAL ENGINEER WITH MKK CONSULTING AND PLANS TO REMAIN IN THE VALLEY.

ART AND HIS WIFE HAVE TWO GROWN CHILDREN, AND ALL ENJOY GETAWAYS TO LAKE POWELL. WHILE ART'S WIFE ENJOYS HORSEBACK RIDES IN THE NORTH FRUITA DESERT, ART PERSONALLY THRIVES ON RACING HIS MOTORCYCLE, AS WELL AS RIDING IN THE MOUNTAINS, VALLEYS, AND DESERT.

ART PLAYS AN ACTIVE ROLE IN THE AREA'S MOTORCYCLE COMMUNITY, HAVING FORMED "THE BOOKCLIFF RATTLER MOTORCYCLE CLUB" WITH FRIENDS SEVERAL YEARS AGO. THE CLUB HOSTS EVENT RACES, WHICH REQUIRE COORDINATION THROUGH THE BUREAU OF LAND MANAGEMENT (BLM) OFFICES IN BOTH COLORADO AND UTAH. THROUGH PLANNING THESE EVENTS, AND NEARLY 25 YEARS OF RIDING EXPERIENCE IN WHAT IS NOW THE COLORADO CANYONS NATIONAL CONSERVATION AREA, ART HAS LEARNED THAT MOTORCYCLISTS MUST TAKE A PARTICIPATORY LEAD IN DEVELOPING THIS AREA'S MANAGEMENT PLAN, OR RISK LOSING THEIR FREEDOM TO RIDE IN IT. ART IS DEDICATED TO PRESERVING THOSE RIDING OPPORTUNITIES ON BEHALF OF THE AREA'S MOTORCYCLE COMMUNITY.
